

PEARL
BRITISH ACADEMY

**EMPOWERING OUR NEXT
GENERATION TO SHAPE
OUR FUTURE**

MESSAGE FROM THE PRINCIPAL

A very warm welcome to Pearl British Academy.

Our vibrant school is proud of its family feel where our children are at the very heart of everything we do. It is somewhere where everyone has a place and belongs, somewhere where we work together, in partnership, to 'nurture adaptable, creative future leaders in our high performing learning community'. As an inclusive school, our curriculum and wide-ranging extra-curricular activities are firmly grounded in our school Values of Empathy, Agility and Hard Work. We highly value collaboration and social responsibility; creativity and risk-taking; practice and resilience.

At Pearl British Academy, individuality is of the essence, diversity enriches and the ability to think creatively is our future. We recognise that the skills needed in life are ever-changing we are proud to work with our students to fill their toolbox of skills with experiences and opportunities to enable them to realise their potential both academically and as an individual.

Highly experienced teachers deliver exemplary pastoral care and academic excellence.

With Pearl British Academy being accredited and awarded the status of a High Performance Learning School, we develop learning through creative learning opportunities actively teaching children through the identified cognitive domains and values needed for lifelong success.

We have a growth mindset at Pearl British Academy; we believe that we can develop through dedication and hard work - brains and talent are just the starting point!

The Pearl British Academy's excellent reputation within the community has been confirmed in our latest ADEK Inspection and British School Overseas inspection where we are rated as Outstanding. We continue to build on our successes and strive for further improvements in all areas, ever developing our school community.

The Pearl British Academy's excellent reputation within the community has been confirmed in our latest British School Overseas inspection where we are rated as Outstanding. We continue to build on our successes and strive for further improvements in all areas, ever developing our school community with ADEK overall Very Good rating recognised Outstanding progress in English National Curriculum subjects.

Barbara Heaton
Principal

THE CURRICULUM

The English National Curriculum is among the most in-demand study options in the world, respected for its high academic standards and focus on developing confidence and individual thinking. In this way, the English National Curriculum is considered to be one of the most rigorous.

The learning pathway is delivered through topics and interwoven with 'project based learning', a method of teaching which inspires a love of learning and deepens a student's

knowledge by challenging them to complete real world tasks.

The teaching of Arabic subjects is based on the guidance and materials prescribed by the Ministry of Education. It keeps local and other native Arabic speaking and Muslim children familiar with their national identity and religion. In addition, our international students gain an understanding of the UAE's heritage which helps enhance mutual understanding, peaceful co-existence and cross-cultural harmony and tolerance.

SUPPORTED BY THE SAME EXCEPTIONAL TEACHING STANDARDS AND TECHNIQUES DELIVERED ACROSS THE ALDAR ACADEMIES FAMILY

Aldar Education is the leading providers of private education in Abu Dhabi and Al Ain, holding accreditations from a number of international educational bodies. We deliver inspiring learning environments, combining the very best academic, arts and sporting facilities with the highest standards of teaching. As a result, our students perform at the very highest level, achieving exam grades that exceed global averages and secure places at the world's leading universities.

WHAT MAKES PEARL BRITISH ACADEMY UNIQUE?

Step inside our school to feel the family atmosphere.

Our English National Curriculum provision enables purposeful, skill-based learning.

Whilst consistently achieving academic excellence, we enable a rich and broad curricular experience. This important balance is enabled through extra curricular activities, curriculum timetabling and project-based learning in all year groups. With a focus on building a sustainable future and developing the 21st century learning skills of communication, creativity, collaboration and critical thinking, global understanding is at the heart of all our projects.

Seamless integration of technology facilitates learning with a range of hardware and software. It is embedded

into, and complements, traditional learning methods.

As high-performance learners, self-reflective analysis is woven into daily learning habits to enable decision-making, research effectiveness and analysis of how we are operating as individuals.

This is further developed through our student-led parent meetings, where we empower our children to take ownership of their learning, their achievements and their targets. This motivates our students and helps them to develop a true understanding of their own learning needs and progression.

Student leadership opportunities enable appropriate and confident interaction with peers, parents, governor and the wider community. Our school leaders are mentored through their experience and gain true insight into leading and managing real life projects and situations.

FEES

All our academy fees are regulated by the Abu Dhabi Department of Education and Knowledge (ADEK) and are only subject to review every two years.
